COB 2022 FAQs

What you need to know about the Coordination of Benefits (COB) & Enrollment Form

My spouse is offered medical and/or prescription coverage through their employer, but would have to pay for it. Is my spouse still required to elect these coverages?

Yes. The Carpenter's Plan of Benefits states that if a spouse is offered medical and/or prescription coverage through their employer, regardless of part-time or full-time employment status, the spouse is considered ineligible for primary coverage through the Carpenters Fund. However, once that spouse elects primary coverage either through their employer or elsewhere, they then become eligible for secondary insurance coverage with the Carpenters Fund. Spouses are only required to elect major medical and/or prescription coverage for themselves. Spouses are not required to sign up for elective coverages, nor must they cover the member or any eligible children.

What is the Spouse Employment Verification Form and why does it need to be filled out?

This form is used to help the Fund Office accurately update records with correct employment and insurance information. Every spouse must fill out the top portion and have the bottom portion completed by their employer. Please either upload this form along with all required documents online using the "Secure Upload Center" or mail to the Fund Office at 91 Fieldcrest Ave, Raritan Plaza 2nd Flr, Edison NJ, 08837. Be sure the member's name and UBC number are on all documents. Forms completed online will be put on hold and considered incomplete until all documents are received.

What if my spouse loses employment?

The Fund would need a termination letter from the employer or the insurance company stating the last date of insurance coverage.

My information is the same as last year. Do I have to complete this form again?

Yes. The Fund may request new information each year. Although you may feel your household has not experienced any changes, it's important for the Fund Office to maintain the most up to date, accurate information as possible.

I am single with no children or spouse. Do I still need to complete this form?

Yes. All Participants must complete the Annual Coordination of Benefits and Enrollment Form every year.

I forgot to enroll or opt out a family member? Can I go back into the online Coordination of Benefits and make changes?

No, once the form is submitted online you will not be able to go back and make changes, you must contact the Fund Office at 732-417-3900.
